

Program Number 10-307-1
Associate Degree of Applied Science • Four Terms

ABOUT THE PROGRAM

The Early Childhood Education program prepares students to work as teacher-caregivers in early childhood settings. It combines hands-on fieldwork in area centers with related academic work at the college. Graduates become responsible for the care and education of children in the birth-to-eight-years age range. They create and maintain safe and healthy play environments, guide behavior, plan and implement learning activities, and work cooperatively with staff and parents.

PROGRAM OUTCOMES

- Apply child development theory to practice
- Cultivate relationships with children, family and the community
- Assess child growth and development
- Use effective, research-based practices in teaching and learning
- Demonstrate professionalism
- Integrate health, safety and nutrition practices

CAREER AND EDUCATION ADVANCEMENT OPPORTUNITIES

Lakeshore credits transfer to over 30 universities. For more information visit lakeshore.edu/future-students/transfer.

ADMISSIONS AND FIRST SEMESTER ENROLLMENT STEPS

- Submit online application.
- Complete the online Student Success Questionnaire.
- Complete Get Started at Lakeshore appointment.

**Submit high school transcripts, college transcripts, and test scores (optional, highly recommended). Official transcripts will be needed for transferring college credit(s) and for financial aid purposes.*

ACADEMIC PREPAREDNESS/FUTURE SEMESTER ENROLLMENT STEPS

If applicable, complete program-specific academic preparedness requirements and enrollment steps prior to enrolling in occupational or core courses. Students will be notified if there is a program waitlist. View the college's program webpage for details: <https://lakeshore.edu/programs-and-courses/career-areas/education-training/early-childhood-education>.

APPROXIMATE COSTS

- \$157.45 per credit tuition (WI resident) plus \$9.45 per credit student activity fee. Material fee varies depending on course. Other fees vary by program. Visit <https://lakeshore.edu/paying-for-college/tuition-and-fees> for details.
- Fingerprint-based background check current fee of \$39 (subject to change)

FINANCIAL AID

This program is eligible for financial aid. Visit lakeshore.edu/Financial-Aid or talk with your College Recruiter about how to apply for aid.

SPECIAL NOTE

- Heartsaver PEDS/FA/CPR/AED certification must be completed before the start of Field Experience 1 and remain current throughout the placement.
- ECE: Health, Safety & Nutrition is a prerequisite to Field Experience 1. To keep a student on track to graduation, this course is offered summer, fall and spring terms. In addition, Field Experience 1 is offered fall and spring terms. Field Experiences 2, 3, and 4 are offered summer, fall and spring. Please meet with your Lakeshore Academic Counselor to plan the best path for you.
- Field Experience 1 students are required to attend all course reflections to receive required trainings (36 hours of lecture + 72 hours of field experience).
- To complete the Field Experience of this program, site specific health and immunization documentation will be required.
- Accelerate your learning, earn credit for what you know, and get personalized support to reach your goals. The full CBE definition may be found at lakeshore.edu/CBE.

TOTAL 60

*CBE delivery only

Curriculum and program acceptance requirements are subject to change. Program start dates vary; check with your Academic Counselor for details. The tuition and fees are approximate based on 2026-2027 rates and are subject to change prior to the start of the academic year.

COLLEGE ALGEBRA W/ APPS...covers skills needed for success in Calculus and many application areas at the baccalaureate level. Topics include the real and complex number systems, polynomials, exponents, radicals, solving equations and inequalities, relations and functions, systems of equations and inequalities, graphing, and conic sections.

ECE: CHILD DEVELOPMENT...examines child development within the context of the early childhood education setting. This course focuses on children ages 3 -8 years.

ECE: CHILDREN WITH DIFFERING ABILITIES...focuses on the child with differing abilities in an inclusive early childhood education setting while examining strategies for cultivating partnerships with families and community supports.

ECE: GUIDING CHILDREN'S BEHAVIOR...examines positive strategies to guide children's behavior in the early childhood education setting. This course meets the requirements of the Wisconsin Pyramid Model training.

ECE: HEALTH, SAFETY AND NUTRITION...examines the topics of health, safety, and nutrition within the context of the early childhood educational setting. This course includes training for Abusive Head Trauma, SIDS, and Mandated Reporter certifications.

ECE: EARLY LANGUAGE & LITERACY...explores strategies to encourage the development of early language and literacy knowledge and skill building in children birth to 8 years of age.

ECE: FAMILY AND COMMUNITY RELATIONSHIPS...examines the role of relationships with family and community in early childhood education. In this course, students will complete the Strengthening Families Training.

ECE: FIELD EXPERIENCE 1...you will be introduced to the foundations of early childhood education under guided supervision of a mentor teacher in an early childhood setting, working with children birth through age 8. This course meets the requirements for the Wisconsin Model Early Learning Standards 18-hour training. **CONDITION:** 103071 Early Childhood Education or 313071 Child Care Services admission requirements met and **PREREQUISITE:** 10307167 ECE: Health, Safety, and Nutrition

ECE: FIELD EXPERIENCE 2...you will assist the mentor teacher in carrying out classroom routines and implementing developmentally appropriate learning experiences that promote child development and learning through play. **CONDITION:** 103071 Early Childhood Education or 313071 Child Care Services admission requirements met and **PREREQUISITE:** 10307160 ECE: Field Experience 1

ECE: FIELD EXPERIENCE 3...you will support young children's development through observation, assessment, and implementation of developmentally appropriate teaching strategies. **CONDITION:** 103071 Early Childhood Education or 313071 Child Care Services admission requirements met and **PREREQUISITE:** 10307170 ECE: Field Experience 2

ECE: FIELD EXPERIENCE 4...you will demonstrate a comprehensive understanding of children and families as you practice the lead teacher role to design, implement, and evaluate a connected unit of learning experiences. **CONDITION:** 103071 Early Childhood Education or 313071 Child Care Services admission requirements met and **PREREQUISITE:** 10307190 ECE: Field Experience 3

ECE: FOUNDATIONS OF EARLY CHILDHOOD EDUCATION...introduces the early childhood profession through a historical overview of the field. The course will explore program trends, quality indicators, and developmentally appropriate practices for children birth to age 8.

ECE: INFANT AND TODDLER DEVELOPMENT...explores infant and toddler development as it applies to an early childhood education setting. This course focuses on children conception through thirty-six months. This course includes training for Wisconsin Breastfeeding Friendly Child Care certification.

ECE: SOCIAL STUDIES, ART, & MUSIC...focuses on beginning level curriculum development in the specific integrated content areas of social studies, art, music, & movement (SSAMM).

ECE: STEM...focuses on beginning level curriculum development in the specific integrated content areas of science, technology, engineering and mathematics.

ENGLISH COMPOSITION 1...is designed for learners to develop knowledge and skills in all aspects of the writing process. Planning, organizing, writing, editing and revising are applied through a variety of activities. Students will analyze audience and purpose, use elements of research, and format documents using standard guidelines. Individuals will develop critical reading skills through analysis of various written documents. Discuss reading and writing academic course support with your Counselor.

INTRODUCTION TO DIVERSITY STUDIES...introduces learners to the study of diversity from a local to a global environment using a holistic, interdisciplinary approach. Encourages self-exploration and prepares the learner to work in a diverse environment. In addition to an analysis of majority/minority relations in a multicultural context, the primary topics of race, ethnicity, age, gender, class, sexual orientation, disability, religion are explored. Discuss reading academic course support with your Counselor

INTRODUCTION TO PSYCHOLOGY...introduces students to a survey of the multiple aspects of human behavior. It involves a survey of the theoretical foundations of human functioning in such areas as learning, motivation, emotions, personality, deviance and pathology, physiological factors, and social influences. It directs the student to an insightful understanding of the complexities of human relationships in personal, social, and vocational settings. Discuss reading academic course support with your Counselor.

INTRODUCTION TO SOCIOLOGY...introduces students to the basic concepts of sociology: culture, socialization, social stratification, multi-culturalism, and the five institutions, including family, government, economics, religion, and education. Other topics include demography, deviance, technology, environment, social issues, social change, social organization, and workplace issues. Discuss reading academic course support with your Counselor.

SPEECH...explores the fundamentals of effective oral presentation to small and large groups. Topic selection, audience analysis, methods of organization, research, structuring evidence and support, delivery techniques, and other essential elements of speaking successfully, including the listening process, form the basis of the course. Discuss reading academic course support with your Counselor.
