ANIMALS ON CAMPUS

Service Animals

In accordance with the Americans with Disabilities Act and sections of the Rehabilitation Act, qualified service animals are permitted on campus when accompanying a person who has a disability with few exceptions as prescribed by law. A service animal is an animal trained to do work or perform tasks for an individual with a disability. If a service animal is removed, Lakeshore will provide an opportunity to participate in the service, program, or activity without having the service animal present.

Emotional Support Animals

An emotional support animal is an animal that is not trained to do work or perform tasks, but whose presence provides emotional support, comfort, or companionship for the person with a disability. Emotional support animals are NOT service animals and are generally not allowed on campus. If an employee with a disability wants to use a non-service animal on campus, they should request an accommodation from Human Resources. If a student with a disability wants to use a non-service animal on campus, they should request an accommodation from Accommodation Services.

Therapy Animals

Although therapy animals are not considered service animals under the ADA, they may be permitted on campus, on a case-by-case basis, for certain events in limited areas. Therapy animals are trained to provide therapeutic contact to improve physical, social, emotional and/or cognitive functioning. For therapy animals to be considered for approval, the animal and handler must be certified by an accredited therapy animal training association and provide proof of liability insurance and required vaccinations. Any employee seeking to use a therapy dog in the course of their job duties must discuss with their respective Vice President and complete the necessary paperwork.

Animals used for Educational Programming

The college permits the presence of animals in public areas (interior and exterior) on campus when the animal is used to support educational programming and training. Such circumstances will be reviewed and approved by leadership on a case-by-case basis.

Removal of Animals from Campus

Animals must always be under the control of the handler. If they are not properly controlled by the handler, if the animal's behavior is aggressive, disruptive, or alters the fundamental nature of a service, or if the animal poses a direct threat to the health or safety of others, the handler will be required to remove the animal from college property immediately.

ADULT EDUCATIONAL AND ENGLISH LANGUAGE LEARNERS PROGRAMMING

Lakeshore offers programs to prepare adults to earn a high school credential, enter a college program, and/or enter employment. Instruction is provided in the areas of reading, writing, math, social studies, science, civics, career and employability education, and English Language Learning (ELL). The course of study is determined through goal setting and working closely with a Academic Counselor and instructors to create an individualized plan of education.

Specific Programming Includes:

- Adult Education is designed for individuals who want to review, learn, or improve academic skills in reading, writing, math, and digital literacy. The curriculum offers students the opportunity to meet personal needs for additional education, training and/or employment.
- GED/HSED programming prepares adult students to earn a high school credential, such as the General Education Development (GED) certificate or the High School Equivalency Diploma (HSED). To earn a GED, students must successfully complete a Career Awareness course and four academic exams:
 - Reasoning through Language Arts
 - Mathematical Reasoning
 - Science
 - Social Studies
- The HSED credential requires successful completion of the four GED exams PLUS the following:
 - Health (exam or coursework)
 - Employability Skills course
- Alternative HSED programming is also available. A competency-based, structured class option allows students to earn the HSED without taking the GED exams. This is for individuals who can, in a classroom setting, demonstrate mastery of skills expected of Wisconsin high school graduates, but who would be unable to demonstrate those competencies in a formal, timed, testing environment. This credentialing opportunity also requires a state-mandated civics test.
- All high school credentialing opportunities also require a state mandated civics test in addition to the above criteria.
- The English Language Learning (ELL) program is designed to provide non-English and limited-English speaking students coursework in Reading, Writing, Listening, and Speaking the English language. Other subjects offered are digital literacy, citizenship exam preparation, and employability classes.
- Career and employability courses are offered to explore interests, skills, and goals for employment. Resume writing, interviewing skills, digital literacy, and other skills to obtain and retain employment are stressed.
- Lakeshore support services are offered; these include:

- Academic Counselors are available to assist with career planning, program enrollment support, and selection. Academic Counselors can also work with students on college admissions steps.
- Student support, such as accommodation services, educational support services, and academic support.

If a program student wishes to review the recommended sequence of courses along with prerequisites and corequisites, they should consult the program information sheet. To determine if a desired class has a co/prerequisite, they can visit one of the following resources on the lakeshore.edu website.

- Searchable class listing
- Course descriptions on the program information sheets
- MyLTC Shopping Cart

For assistance in choosing classes, speak with a Academic Counselor. To meet with a Academic Counselor, please call 920.693.1366 or schedule an appointment online through Navigate.

RESTROOMS

Restrooms are available on all Lakeshore campuses and are available to members of the college community and their visitors. Lakeshore also offers handicapped-accessible, single-unit facilities, that provide increased privacy.

SCHOOL CLOSING

On a rare occasion, a situation may arise affecting closing of one or more campuses. (Ex: power outage, waterline break, lock down, cybersecurity issue, bomb threat, etc.). In these cases, the Incident Management Team will alert students and employees. For more information, see the [Unscheduled Building Closure Policy](#).

Students or faculty who are assigned to clinical experiences and employees who are providing contracted services in business and industry will conform to the closure status of those institutions regardless of any other announcements made concerning the closing of the College.

SEVERE WEATHER

Tornado and severe weather drills are conducted periodically during the school year by the Incident Management Team. In the event of a thunderstorm, high winds, tornadoes, etc., an announcement will be made. Occupants will be notified that this is a tornado watch, or a tornado or severe weather warning. Updates will be provided as available.

Students should become familiar with the Tornado/Severe Weather refuge instructions posted in each classroom. Once in the designated refuge area, remain there until notified by safety/security personnel that it is safe to leave. Students are encouraged not to leave the campus while these conditions exist.

ACADEMICS

ACADEMIC FORGIVENESS

Academic Forgiveness is an opportunity to omit the grade point average calculation of credit courses taken during a period of time at Lakeshore. However, course grades will remain on student transcript.

Current students or returning students who had a last undergraduate enrollment within the last three calendar years may apply for academic forgiveness for one term of their choice. Students can only apply once for academic forgiveness for one term.

Returning Students who have not taken any undergraduate classes for a period of at least three calendar years from the last semester of attendance may only apply once for academic forgiveness for a maximum of three semesters of their choice.

Students must be currently matriculated into a program and enrolled in undergraduate classes. Previous grades will remain on the student's academic record but will not be calculated into their grade point average (GPA).

Financial aid funding and Satisfactory Academic Progress do not fall under the Academic Forgiveness policy; enrollment/grade history will continue to be a factor when determining financial aid eligibility.

Students must meet with their Academic Counselor to discuss the qualifying conditions for academic forgiveness prior to submission. The counselor will help the student determine whether repeating a course or forgiveness is their best option.

All course decisions approved for Academic Forgiveness are final and cannot be reversed. If a student changes their program, credit forgiveness is not reversible, and they will need to retake the course if it is required for the new program. Courses that are approved for academic forgiveness will not be eligible to be used as a prerequisite or co-requisite for another course.

APPEAL PROCESS

Students that are denied forgiveness for a course or courses may appeal that decision to the Vice President of Student Success.

ATTENDANCE

It is important that all students enrolled at Lakeshore attend classes regularly to receive the maximum benefit from the educational opportunities provided. Students enrolled in online, or CBE online courses will participate in regular meetings with the instructor to discuss their progress and any academic needs. These meetings can occur virtually or in-person. Students are expected to abide by the attendance policy established by the instructor as published in the course syllabus.

Students that do not attend class sessions in accordance with the class attendance policy and/or whose irregular attendance is negatively affecting achievement will be entered into Lakeshore's referral process to develop an appropriate plan for student success.

It is the student's responsibility to drop a course if they no longer plan to attend. The refund amount will be based on the Refund Policy outlined in this handbook. Students may drop classes via their MYLAKESHORE account or in person at the Student Success Welcome Center desk. Students are unable to drop classes by telephone or email.

CALENDAR

Two 15-week semesters, and one 8-week summer session are offered. Selected programs are offered at other dates. Fall (December) and spring (May) graduation celebration events are held on campus.

CLASS ADDITIONS, TRANSFERS, & DROPS

Students may add, transfer, or drop classes either through their MyLTC account or in person at the Student Success Welcome Center.

Adding Classes:

Students may add a class seven (7) days after the class starts. After (7) days, division approval is required to register.

Dropping Classes:

Students may drop a class at any time before the last day of class. Students who drop a class may be eligible for a refund according to the WTCS Refund Policy. Students are unable to drop courses by telephone or email. Students who withdraw from a class at the time when more than 60 percent of the class hours have elapsed will receive a grade of WF. Prior to that time, the student will receive a grade of W.

Note: Students are advised to contact their Academic Counselor prior to dropping to discuss potential impact on financial aid, refunds, and other educational impacts.

Students are responsible for officially dropping classes or withdrawing from campus for the term. Stopping attendance in class does not constitute dropping a class or withdrawing from a term. Lakeshore will only drop students from courses if the student initiates a drop as described above. Class fee refunds are issued in accordance with guidelines established by the Wisconsin Technical College System. The refund amount received is based on a few factors, including when the drop occurred and how much class meeting time has elapsed.

COURSE DELIVERY METHODS

Learning options offer flexibility and affordability to many of the same courses offered in a traditional on-campus classroom.

- Flexibility: Options designed to suit individual preference.
- Affordability: reduce cost of travel, daycare, and time away from work.
- Same courses: the course outcomes do not change, only the delivery.

Traditional, Video Conference, Online, Blended, Hybrid, Competency-Based Education (CBE), and iFlex

These courses are designed to offer greater convenience and learning options.

- **Traditional and Technology-Facilitated courses** are delivered in a face-to-face setting. The course may use technology to facilitate instruction.

- **Video Conference courses** are delivered via network or web conferencing.
- **Online course** content is delivered 100% through the internet and accessed by students using a web browser in an asynchronous and possibly synchronous format. Courses may require proctored (supervised/onsite) testing. Students are required to complete work by specific deadlines throughout the course. The following are essential for online courses:
 - Access to a computer with internet service.
 - Strong motivation to achieve a goal.
 - About 3 hours per credit each week for class work (may vary depending on class, content, skill level, etc.).
 - Good time management skills.
 - Computer skills in email, internet, and basic computer operations.
- **Blended courses** use online learning activities to aid in learning the course material and reduce face-to-face instructional time. Less than 50% of the course instruction is delivered via online using the internet combined with face-to-face instruction. For example, a course that normally meets twice a week as a traditional course may only meet once a week or every other week in a blended course. The course schedules show the times the course will meet in a face-to-face format. The student will need access to a computer with internet service.
- **Hybrid courses** combine online and face-to-face instruction. At least 50% but less than 100% of course instruction is delivered via online using the internet (accessed by the student using a web browser), combined with face-to-face instruction. A one-time face-to-face course orientation or off-line supervised tests/exams at specified sites may be conducted in conjunction with these courses.
- **iFlex** is a course delivery that lets students have the flexibility of attending in person or online, as their schedule allows. Students have equitable components, such as learning activities, assessments, and recorded lecture content, whether sitting in the classroom or learning online. Structured due dates are present throughout the course. Class time may vary, depending on individual course. Check course schedule for meeting times and locations.
- **CBE Delivery Format** is a delivery format that Lakeshore offers, just like blended, online, hybrid, and face-to-face instruction. However, because CBE can be applied to multiple courses differently, the CBE delivery was divided into additional delivery methods.
 - **CBE On-Campus** CBE on-campus courses offer flexibility in scheduling and gives you the opportunity to complete coursework on campus. Course activities can require in-person participation with your instructor and/or classmates. CBE on-campus courses also use a web-based learning platform to facilitate lecture instruction. Consult the course schedule to identify the times and locations available for your on-campus learning.
 - **CBE Hybrid** CBE hybrid courses offer you the opportunity to attend structured courses to stay at a minimum pace, but allow flexibility when life happens or acceleration to move faster through material. With a combination of in-person instruction and online platform learning, set your own flexible schedule to complete coursework. Additional course activities may require you to participate in scheduled, structured on-campus or virtual in-person sessions with your instructor and/or classmates. Consult the course schedule to identify the learning meeting times and locations.

- **CBE Online** CBE online courses can be completed 100% online at times convenient to you. Regular interactions between you and your instructor are scheduled virtually during mutually agreed upon times. You can also drop in during scheduled hours on campus to meet with your instructor and other students.

CREDIT FOR PRIOR LEARNING

Lakeshore recognizes its responsibility to provide advanced placement status to those students with valid and credible learning experiences that have occurred outside our college classrooms. Credit for Prior Learning may be granted for the following situations:

Transfer Credits:

- 1) Postsecondary credits earned at other Wisconsin Technical College System (WTCS) colleges.
- 2) Postsecondary credits earned at non-WTCS colleges.
- 3) Credits earned by high school students.
- 4) Credits earned by completing a registered apprenticeship.

Other Non-College Education & Training*:

- 1) Subject area competency demonstrated by passing a district or national examination.
- 2) Previous work experience, military training, education or training, or other prior learning demonstrated as comparable in content and rigor to a specific technical college course or courses.

*Students desiring to earn credit for their prior learning from non-college education and training (work/life experience) may be assessed for their prior learning through a prior learning assessment. A prior learning assessment can be a test, portfolio, skills demonstration, or combination of methods. Testing out of a course must be completed within the first two weeks of the course. Not all courses have prior learning assessments, students should contact their Academic Counselor at 920.693.1366 for more information.

General Guidelines for Credit for Prior Learning:

Credit for prior learning must be applied toward a specific program at the College. Non-program students are not eligible for advanced standing.

- The student must have earned a grade of 2.0 or better (on a 4.0 scale) in the course being considered.
- The course being transferred must be generally equivalent in content and meet or exceed the credit value of the Lakeshore course.
- Transfer credit may be awarded for up to 75% of the degree, diploma, or certificate requirements. Students must complete a minimum of 25% of the technical/occupational courses required to complete the degree or diploma at Lakeshore.
- Lakeshore reserves the right to place time limits on prior learning for which credit may be granted based on technological changes specific to that field.
- Original transcripts from awarding institutions are required when transferring college credits to Lakeshore.
- If the student chooses to be assessed for their prior learning in a currently enrolled class, it must be completed within the first two weeks of the class and any refund due to the student will follow WTCS refund policy for that specific class.
- Credits earned through prior learning assessments are not eligible for financial aid.

- The student does not have to be enrolled in the course to complete a prior learning assessment.
- If the student has been enrolled in the course for longer than two weeks or has been enrolled in the same course at any point in the past, the student may not petition for Credit for Prior Learning.
- Exams are \$50 and Portfolio and Skill Demonstrations are \$90.
- Credit for prior learning for previous work experience will include a \$90 fee.
- Courses may be bundled so that only a single assessment fee is charged.

GRADING

Grading communicates the student's level of competence and/or proficiency at the end of each class. The definition and grade point value of each is as follows.

Grade A • Superior • Superiorly met for CBE courses • Awarded 4 grade points per credit • Included in GPA	Grade B • Above average • Met for CBE courses • Awarded 3 grade points per credit • Included in GPA
Grade C • Average • Awarded 2 grade points per credit • Included in GPA	Grade D • Below average • Awarded 1 grade point per credit • Included in GPA
Grade F • Failure • Not met for CBE courses • Awarded 0 grade points per credit • Included in GPA	Grade P • Pass • Awarded 0 grade points per credit • Not included in GPA • Student achieved the competencies for the class at the required proficiency level.
Grade N • Non-graded • Awarded 0 grade points per credit • Not included in GPA • The class is not a graded/credit class.	Grade LF • Lapsed F • Awarded 0 grade points per credit • Included in GPA • An IC grade that has not been changed to another grade six weeks after the end of
Grade WF • Withdrawal F • Awarded 0 grade points per credit • Included in GPA • Student withdrew from the class at the time when more than 60 percent of the class hours had elapsed.	Grade W • Withdrawal • Awarded 0 grade points per credit • Not included in GPA • Student withdrew from the class after the class had started but before 60 percent of the class hours had elapsed.

Grade TR • Transfer • Awarded 0 grade points per credit • Not included in GPA • Student achieved the competencies by some other approach than completion of the specific class at Lakeshore and has	Grade WE • Withdrawal for extenuating circumstances • Awarded 0 grade points per credit • Not included in GPA • Student withdrew from the class after it had started due to extenuating circumstances.
Grade R • A previously failed course will be changed to a final grade of R after a student successfully retakes and passes • Not included in GPA	Grade TA • Transcribed audit (for high school students ONLY) • Not included in GPA
Grade NS • No show • Indicates student registered for a class but did not participate nor drop the class • Not included in GPA	

Consistent Grading Scale

Due to accreditation requirements, certain program handbooks may follow different grading scales from those below.

Traditional (Non-CBE)

A 93-100%
 B 86-92%
 C 78-85%
 D 70-77%
 F Below 70%

CBE

Superiorly Met A 93-100%
 Met B 86-92%
 Not Met F Below 86%

A complete grading policy may be obtained in Student Success. [Grading Policy](#)

Courses forgiven under the Academic Forgiveness policy will be noted on the student transcript with an * and are not included in GPA.

IC (Incompletes)

Students may be eligible to receive an “IC” grade in an undergraduate class where they have completed at least 75% of the work for the course and at the discretion of the instructor. The student will then have additional time (up to six weeks), as agreed upon with the instructor, to complete all remaining requirements for a valid grade found on the grading scale. The “IC” grade changes to an “LF” grade six weeks after the last day of the term if there is no other grade given or extension granted. Grades of “IC” are considered as attempted but not completed when calculating percentage of completion for financial aid when determining Satisfactory Academic Progress. The “IC” grade is not calculated into the non-financial aid GPA until the grade has been changed.

R (Retake Class)

If a student retakes a course, the most recent grade is retained and the previous course grade is changed to a grade of "R". The most recent grade is used to calculate the grade point average. All courses attempted will be shown on the permanent record, but the final cumulative grade point average reflects only the most recent grade.

AU (Auditing a Class)

Students may enroll in a class without desiring a grade. This is called "auditing." An auditing student must register and pay the same fees as students enrolled for credit. The usual withdrawal/refund policy will apply.

No credit is given for a class which is audited. Therefore, the audited class does not count towards credit load or for financial aid. When auditing a class, students may not change enrollment status at a later date to receive credit for that class. Students may, however, retake the class as a regular student and receive credit upon successful completion of the class.

To audit a class, the student must obtain written approval from the instructor of the class before the end of the second week of that class. A Course Audit/Drop/Transfer form with the instructor's signature indicating the audit status must be returned to Student Records for processing.

A student may audit a course as part of an overall educational plan of self-improvement. A student may not audit a course for the sole purpose of assisting another student academically with the course.

Lakeshore reserves the right to restrict the auditing of certain classes.

STUDENT GRADE APPEAL AND OTHER ACADEMIC CONCERN PROCESS

Students may appeal a final grade, assignment grade, or other academic concern through the following process. For grade appeals, students must initiate step one of the appeal process within seven (7) business days following the submission of the grade. All appeal steps must be communicated in writing or via email.

Step 1

The student is encouraged to communicate with the instructor who assigned the grade to resolve the concern. The faculty will respond within seven (7) business days.

Step 2

If not resolved, the student will submit a Grade Appeal form. The appeal form will be submitted to the Division Dean or Associate Dean who will conduct a review of the information presented by the student and respond with a decision within seven (7) business days.

Step 3

The student may appeal the Dean's decision to the Executive Director of Student Affairs by submitting a written document describing their specific concerns. The Executive Director of Student Affairs then reviews the appeal to determine if it merits further consideration. If the matter does not warrant further consideration, the matter will be considered closed. If further review is warranted, additional information will be collected and provided, at the Executive Director of Student Affairs' discretion, to either an Internal Investigation Committee or the Vice President of Instruction.

Step 4a

Internal Investigation Committee will consist of the Vice President of Student Success, a student, a faculty member not associated with case, and a Dean not associated with that division. The Executive Director of Student Affairs will serve as an ex-officio member. Students and staff involved will be notified of the decision within fifteen (15) business days. The decision of the Internal Investigation Committee will be considered final for the Lakeshore process.

Step 4b

The student may appeal the committee's decision, in writing, to the Vice President of Instruction within ten (10) business days of the receipt of the committee's decision. The Vice President of Instruction will meet with the student involved within ten (10) business days. The decision of the Vice President of Instruction will be considered final for the Lakeshore process.

The College's final decision may be appealed to the Wisconsin Technical College System (WTCS).

GRADUATION REQUIREMENTS

Students are required to submit an Application for Graduation to Student Records one semester prior to the anticipated graduation date. The Lakeshore College District Board will confer associate degrees, technical certificates, and technical diplomas to students that meet the following graduation requirements:

- Complete program of study with at least a program grade point average (GPA) of 2.0.
- Complete technical/occupational studies courses with a passing grade. Students and staff are to refer to program handbooks, course prerequisites or program curriculum for variations.
- All associates degree, technical diplomas, and certificate students must complete at least 25% of the technical/occupational studies courses at Lakeshore.

HONORS RECOGNITION

Lakeshore has academic honors recognition for continuing and graduating students.

Honors Graduate

To receive Graduate Honors at the time of graduation, a student needs to earn a program GPA of 3.500 to 3.999. Honors designations will appear on the student's transcript after graduating from a selected program.

Presidential Honors Graduate

To receive Presidential Honors at the time of graduation, a student needs to earn a program GPA of 4.000. Honors cords will be awarded to graduates who earn Honors, and an honors medallion will be awarded to graduates who earn Presidential Honors.

Honor cords and medallions may be worn during the graduation celebration event.

Awards Celebration

See [STUDENT LIFE](#) (Student Leadership Board) section in this handbook.

Dean's List

Students that have 6 or more semester credits and at least a semester GPA of 3.500 will qualify for the Dean's list. Student names will be sent to the area newspapers for publication at the end of the fall and spring terms.

Phi Theta Kappa Honor Society

Phi Theta Kappa (PTK) is an international honor society for two-year institutions. PTK recognizes and encourages academic achievement and provides opportunities for individual growth and development through participation in honors, leadership, service, and fellowship activities. Students are invited to join when they have completed 12 or more credits of associate degree coursework or six credits of technical diploma coursework and overall 3.50 cumulative GPA (counted from the past 5 years). The one-time, lifetime membership fee is \$75.

Military Honor Cords

In recognition of military service to the United States of America, students who are honorably discharged or currently serving in the U.S. military (active duty, National Guard, or Reserves), or will be commissioned upon graduation, are given the opportunity to wear a red, white, and blue honor cord. Current or former service member who chooses to be recognized at the ceremony may contact Student Records at records@lakeshore.edu to receive a military cord.

INSTRUCTOR ABSENCE/CLASS CANCELLATION

Instructor absences and subsequent class cancellations will be announced via a text, email, and/or phone call. Student should check their Lakeshore student email and Blackboard as coursework may still be required. Communication will be updated as often as necessary throughout the day. School closings are also posted on the campus website at lakeshore.edu.

PREREQUISITES

Prerequisites for courses are designated in the course descriptions found on the program sheet and the "Find a Class" link on the college website. Registration in a class requiring a prerequisite is permitted by satisfying the prerequisite requirements or with permission of the instructor. Information is available in the Student Success office. Courses may have a specified minimum achievement level required in the prerequisite courses.

SHARED PROGRAMS

Shared programs exist between Lakeshore and other Wisconsin Technical System Colleges. Students are subject to the same grade and grade point average requirements for class progression. All grades earned in program courses offered by Lakeshore or shared program districts are calculated into the program GPA.

Financial aid is available to those who qualify and will be issued by the degree-granting college.

Courses required within the shared program are included in financial aid credit load.

TRANSFER OF CREDITS TO LAKESHORE

Students may transfer credits taken at other postsecondary institutions to Lakeshore. Credits will only be accepted under the following conditions:

- An official transcript must be requested by the student to be sent from the campus where the student took the class(es).
- If the official transcript is not mailed directly from the sending campus, it must be delivered in an unopened, sealed envelope.
- The sending campus must have been regionally accredited at the time the class or classes were taken.
- The student must have earned a grade of C or higher for credits to transfer.
- The student may be required to provide additional information such as course descriptions or course syllabi, in order to complete the transfer process.

TRANSFER OF CREDITS TO OTHER POSTSECONDARY INSTITUTIONS

Lakeshore credits transfer to a large number of other colleges and universities in Wisconsin and across the country. To transfer credits to another institution, the student must request an official transcript online on the Lakeshore website. Student records, including transcripts, are confidential documents and will be only sent out upon an online request.

Credit transferability is determined by the receiving institution. Lakeshore's Executive Director of Student Affairs will assist students with transferability concerns.

PAYING FOR COLLEGE

ACCIDENT INSURANCE (Student mandatory)

All students enrolled in program courses will automatically be enrolled in the mandatory student accident insurance program. This provides \$50,000 of coverage at 100% if a student is injured in an accident while in the classroom, lab, clinical or intern site. The student is also covered while participating in any college or club sponsored event, and while driving to and from class or clinical/intern site. Students enrolled in distance learning, on-line, basic skills, or adult and continuing education courses would not be covered. The cost for this insurance is \$4 per student per term and will be added to the student's account. Students requesting to waive this coverage must contact the Financial Services office. To view personal coverage information, edit a primary address, or generate an ID card, visit [Gallagher Student Health and Special Risk](#).

FINANCIAL AID

Financial Aid services are in the Student Success area. Financial Aid staff are available to help students apply for financial aid and complete other financial aid requirements. Lakeshore offers Title IV federal and state financial aid which includes grants, loans, and work-study jobs, along with Veteran benefits to students who qualify. Students wishing to receive financial aid must complete a Free Application for Federal Student Aid (FAFSA) each academic year and complete additional Lakeshore Financial Aid forms and provide documentation, as necessary. "The definition of an academic year for purposes of distributing financial aid funds is 30 weeks of instruction and 24 semester credit hours. The academic year consists of a fall term and a spring term. An 8-week summer term is also available."

Book Charges

Book charges to purchase required books and supplies are available to students with pending financial aid in excess of tuition and fees for the semester. Book charges are only valid at the Lakeshore Online Bookstore. Students are not required to purchase books and supplies at the Lakeshore Online Bookstore and are not required to exercise the option to utilize the book charge process. Book charges are typically capped at \$900 with special considerations occurring through the Lakeshore Financial Aid Office. Book charges are available 3 weeks prior to the start of the term through the 10th week of the term.

Disbursement

Funds are paid 3 weeks into the academic semester for fall and spring, after July 1 for summer semester, and weekly thereafter. A student must have begun participation in at least one of their scheduled classes for financial aid to be paid. When financial aid is paid, it is applied to their student account to pay for any existing charges. Any excess is released as a refund via a paper check or direct deposit as directed by the student.

Eligibility

Generally, a student must meet the following eligibility criteria to receive financial aid: be admitted to an eligible degree-seeking program at Lakeshore; be a citizen, permanent resident of the United States, or other eligible non-citizen as detailed at fafsa.gov; have a FAFSA with a successful citizenship match (by the Social Security Administration for U.S. citizens or the United States Citizenship and Immigration Services in the Department of Homeland Security for eligible non-citizens); maintain Satisfactory Academic Progress (SAP) according to the SAP policy; be in compliance with Selective Service Registration, for state aid only; have a high school diploma, HSED, or GED; be enrolled at least half-time for federal and state funded financial aid programs (those less than half-time may only be eligible for the Federal Pell grant); resolve any drug conviction issues; fill out all required documents to complete a financial aid file; only take coursework necessary for the program being pursued; participate in coursework; and complete any necessary applicable loan requirements.

Enrollment Level for Financial Aid

Students taking 12 or more credits are considered fulltime; 9-11 credits are considered three-quarter time; 6-8 credits are considered halftime; and 1-5 credits are considered less than halftime. Students may need to complete 16 to 18 credits each semester to graduate on time.

Types of Financial Aid

Need-based awards offered include: Federal Pell Grant; Federal Supplemental Education Opportunity Grant (SEOG); Direct Subsidized Student Loan; Federal Work Study; Wisconsin Grant; Talent Incentive Program Grant (TIP); Minority Retention Grant; Fund for Wisconsin Scholars; Bureau of Indian Affairs Grant; Wisconsin Indian Assistance Grant.

Non-need-based awards offered include: Direct Unsubsidized Student Loan; Additional Unsubsidized Student Loan; Parent Plus Loan; Nursing Loans; Wisconsin Technical Excellence Scholarship; Wisconsin Covenant Grant; Wisconsin Foundation Grant; and Wisconsin Academic Excellence Scholarship.

Satisfactory Academic Progress (SAP)

The U.S. Department of Education requires financial aid recipients to maintain satisfactory academic progress (SAP). SAP measures both qualitative (grade point average process) and quantitative (pace and number of credits earned). All attempted undergraduate credits, including repeated courses, withdrawals, and incomplete courses will be calculated in a student's SAP, regardless of whether financial aid has been received for these courses.

- **Satisfactory Academic Progress** will be calculated at the end of each academic semester. Students are expected to receive a cumulative grade point average (GPA) of at least 2.0 and complete at least 66.67% of their cumulative credits attempted to remain in good standing.
- **Pace Measure** is based on the cumulative number of program credits attempted, not to exceed 150 percent of credits required in the student's program. Students in excess of 150 percent may appeal and develop a maximum timeframe plan to continue financial aid eligibility.
- **Qualitative Measure** is based on a student's cumulative grade point average (GPA). Students must maintain a cumulative GPA of 2.0 to remain in good standing.
- **Quantitative Measure** is based on the cumulative satisfactory completion of cumulative attempted credits. Students must maintain a cumulative satisfactory percentage of completion of 66.67% or higher to remain in good standing.
- **Financial Aid Warning** is when a student fails to meet either the qualitative or quantitative measure, or both. The student is still eligible to receive financial aid while on warning.
- **Financial Aid Suspension** is when a student fails to meet either the qualitative or quantitative measure after the warning period. The student is no longer eligible to receive financial aid.
- **Appealing Financial Aid Suspension** is when the student appeals to have financial aid reinstated due to extenuating circumstances. Extenuating circumstances must be outside of the student's control, have documentation, and be explained in the Financial Aid Appeal Form. All SAP appeals, supporting documentation and any academic plans must be submitted to the Financial Aid Office by the last date of the current academic year term. Failure to do so will result in students being ineligible for financial aid for the term.
- **Financial Aid Probation** is when the student has an approved appeal. This allows the student to receive another semester of financial aid.
- **Financial Aid Academic Plan** is when the student has an approved academic plan. This allows the student to continue to receive financial aid as long as the academic plan requirements are followed. Students must meet cumulative satisfactory academic progress by term (versus cumulative) to remain in good standing.

A full description of the SAP policy can be found at lakeshore.edu/financial-aid/eligibility/satisfactory-academic-progress.

Withdrawal

If a student receiving financial aid withdraws from all classes in a semester, the financial aid office is required to calculate any potential Return of Title IV funds (R2T4) to the Department of Education. A student must complete 60% of a semester to avoid a R2T4. If any financial aid is determined to be owed, the student will receive an email detailing the amounts and instructions on how to make payments. In addition, a hold will be placed on your account preventing future registration until the repayment balance is paid.

PAY TUITION

Lakeshore payment methods include cash, check, money order, credit card (Visa or MasterCard), a completed Financial Aid Award, a third-party authorization, and the Lakeshore payment plan. Refer to MyLTC for detailed payment plan options and dates.

Students anticipating expenses to be paid by an agency such as the Workforce Innovation and Opportunity Act (WIOA), Trade Adjustment Act (TAA), Veterans Benefits, or Department of Vocational Rehabilitation must provide an authorization form detailing the course(s) and fees approved for payment.

Students who have not been awarded financial aid from Lakeshore's Financial Aid Office and elect to sign a payment plan agreement must follow the payment plan guidelines. Students are required to pay a nonrefundable participation fee at the time of signing up for the payment plan unless the student chooses the auto-withdrawal option for payment.

Any unpaid balance is the responsibility of the student. It is the student's responsibility to ensure all applicable financial aid, third-party payments, and other outside payments are applied to their account as expected. Balances not paid by the due date are subject to:

- A late payment fee of \$100 for failure to pay by the due date; \$100 maximum per semester.
- Referral to an outside collection agency and collection costs, and to the Tax Refund Intercept Program or State Debt Collection.
- Not being able to register until balances are paid.

Up to date billing information is found within MyLTC.

Agency Assistance

Students who receive financial assistance through agencies such as the Bay Area Workforce Development, Division of Vocational Rehabilitation, etc., should contact the Student Billing staff in Student Success if they have questions. An authorization from the agency is needed to charge tuition, books, fees, and supplies at the college. Some agency regulations require strict and regular attendance. Students are responsible for any balances unpaid by the agency.

Payment Options:

- Lakeshore accepts a variety of payment methods:
 - Cash, check, credit cards (Visa or MasterCard), money order, and electronic funds transfer
 - Scholarships
 - Financial aid

- Employer/Agency Funding. Authorization must be on file at the time of registration, or an Agency Payment Agreement form must be completed. Forms are available at Student Success.
- Payment plan
- Employee Reimbursement Payment Agreement (requires a payment of \$50 per class, Lakeshore Employee Reimbursement form, and student's employer's Human Resource policy per semester. Contact Student Billing for more information.)
- Registration on or after the stated tuition due date for a semester will require immediate payment of tuition and fees.

Past Due Fees:

- Past due fees owed to Lakeshore results in a hold placed on the students record, prohibiting further services. The hold remains in effect until the financial obligation has been satisfied.
 - Students with outstanding balances will not be allowed to register.
 - Lakeshore reserves the right to require upfront payment from a student for future registrations.
 - Past due balances may result in a referral to an outside collection agency and collection costs, and to the Tax Refund Intercept Program or State Debt Collection.
 - Library resources, including equipment, if not returned to by due date, may result in additional fees and collection efforts. After equipment is referred to collections, it will be permanently disabled.
 - If a returning student has gone to collection agency more than 2 times and have cleared their balance, they will have a cash only hold. This will allow a student to register if payment is made in full at the time of registration or financial aid is put in place as anticipated on their account.

REFUNDS

Class Refund

When a student drops a class, the amount of refund received is calculated in accordance with the Wisconsin Technical College System refund schedule. That schedule is based on a number of factors, including when the withdrawal occurred and how much of the class meeting time has lapsed.

- If students withdraw on or before the first day of class, they are entitled to a fee refund equal to 100% of the fees.
- If students withdraw before or at the time 10% of the course's potential hours of instruction have been completed, they are entitled to a fee refund equal to 80% of the fees.
- If students withdraw after 10% but before more than 20% of the course's potential hours of instruction have been completed, they are entitled to a fee refund equal to 60% of the fees.
- If students withdraw after 20% of the course's potential hours of instruction have been completed, they are not entitled to a fee refund.

- No refunds will be considered for advanced standing and test-out fees.
- Students seeking advanced standing in classes they want to enroll in or are enrolled in need to complete testing out of the class within the first two weeks of the class start date to receive a full class refund.

If a student received financial aid to pay for the term, that money may be due back to financial aid.

Refund Appeals

All refund appeals must be initiated by sending the completed Lakeshore College Request for Refund Appeal with proper documentation to the Executive Director of Student Affairs no later than 42 calendar days from the end of the term.

A refund request made after the 42-day grace period will not be accepted and students will be responsible for payment. Refunds for extenuating circumstances (situations outside of students control) will be made at Lakeshore's discretion.

Disputed Fee Assessment

Disputes regarding registration, withdrawals, and related fee assessments or refunds MUST be brought to the attention of Student Billing and/or the Executive Director of Student Affairs during the semester in which the registration and related fee assessment occurred. Lakeshore's obligation to follow-up on such disputes does not extend beyond the term the disputed charges took place.

SCHOLARSHIPS

The Lakeshore College Foundation awards scholarships to assist students with the costs of tuition, fees, and books for both fall and spring semesters. Scholarship selection criteria differ depending on the opportunity and can include, but are not limited to, financial need, merit, program enrollment, and general student success. Foundation scholarships are funded by charitable donations from local foundations, Lakeshore staff, businesses, friends, and alumni who elect to invest in their community by supporting technical education, the college, and its students.

Foundation scholarship applications and information can be found on My Lakeshore. Enrolled students can go to their "My Lakeshore" page, click on the orange and yellow icon for AwardSpring, sign in with their Lakeshore username and password, see a list of scholarships, and complete an application. For questions, please reach out to the Advancement team at foundation@lakeshore.edu

STUDENT EMPLOYMENT

Lakeshore College provides students with a variety of employment opportunities to help manage educational costs, gain valuable work experience, and explore career interests. These opportunities include both Federal Work-Study Program and Student Help positions.

The Federal Work Study Program is a need-based financial aid initiative that allows students to work part-time, earning funds to help cover their college expenses. On-campus positions are available on a first-come, first served basis.

For students who don't qualify for Federal Work Study, Lakeshore offers Student Help positions. These provide students with the chance to earn income while gaining relevant experience in their

academic fields.

Both on-campus roles offer semi-monthly pay, require student to be enrolled in at least 6 credits, and maintain average grades while employed.

All available positions can be found on Lakeshore College's career page in both English and Spanish. If you're interested in either Federal Work Study or Student Help roles, you are encouraged to submit an application. For any questions or assistance, please reach out to the Human Resources department at humanresources@lakeshore.edu or call 920-693-1158.

VETERANS SERVICES

Lakeshore College is approved by the State Approving Agency (SAA) at the Wisconsin Department of Veterans Affairs (WDVA) for enrollment of those persons eligible to receive federal GI Bill® education benefits. The SAA approves specific programs offered at specific locations for veterans and other eligible persons to receive federal veteran's education benefits under Title 38 of the U.S. Code. Please note: Students must complete and submit necessary forms, including proof of eligibility for federal VA benefits and the Lakeshore Veterans Education Benefits Request form, to initially receive state and/or federal benefits and avoid late fees. Veterans continuing to receive federal benefits must complete the Lakeshore Veterans Education Benefits Request form each semester. For more information, contact the local County Veterans Service Officer or Lakeshore's Financial Aid/Veterans Office at VETS@lakeshore.edu or 920.693.1118.

Effective January 2020, the Harry W. Colmery Veterans Educational Assistance Act of 2017 (also known as the "Forever GI Bill"), Section 107, requires Post-9/11 GI Bill® monthly housing payments to be calculated based on the location of attendance. Contact the School Certifying Official for specific details.

Veterans Standards of Progress Policy for Federal Benefits

To obtain federal veterans educational benefits, government regulations require students to maintain satisfactory academic progress in the program that they are enrolled. Academic suspension will be reported to the Veterans Administration, as officials at Lakeshore are obligated to do so. Failure to meet satisfactory progress requirements will result in:

Semester GPA of 1.0 to 1.99: During the semester a veteran is on academic probation, satisfactory progress with a 2.0 semester GPA must be achieved, or eligibility for benefits for the following semester will be lost.

Semester GPA of .99 or lower: Veterans academic suspension. If a student earns less than a 1.0 grade point average for any semester, they will lose their eligibility for veterans benefits. If a student become ineligible for veterans benefits, they can re-establish eligibility by seeking services through their Lakeshore Academic Counselor in order to resolve academic or other problems and to establish a meaningful plan for successful completion of their education or training. A specific request for resumption of veterans benefits following an interruption due to unsatisfactory progress or conduct must be filled out by the student and their Academic Counselor and submitted to the veterans certifying official at Lakeshore to determine whether further payments of veterans educational assistance allowance should be authorized. This form will be mailed to the student with notification of unsatisfactory progress. A student can re-establish eligibility in this manner only one time. If the student is suspended a second time, they will need to take six credits and pass with a 2.0 semester

GPA or greater in one semester. A student can then resume benefits the semester following this.

The law requires student payment for a course which is not used in computing graduation requirements unless extenuating circumstances are shown. If a student does not meet the required course grade, it can be retaken until required grade is obtained.

If the student feels there are extenuating circumstances, they should notify the Veterans Administration of the circumstances. The Veterans Administration will then make a decision regarding whether the extenuating circumstances are beyond the student's control.

If the student does write to the Veterans Administration, explain the circumstances in detail in order that a fair and just decision can be made. Be sure to include the Veterans Administration file number associated to the case. Correspondence can be submitted by postal mail or through an online request at <https://ask.va.gov>. If sending by mail, use the address below.

Veterans Standards of Progress Policy for Wisconsin GI Bill Benefits

As of January 1, 2014, a student must have at least a 2.0 cumulative GPA to qualify for benefits. They will be responsible for any costs associated with attending classes if their cumulative GPA is below 2.0. This will be a requirement for every semester.

If the student loses their WI GI Bill eligibility because of their GPA but later improves their cumulative GPA to at least 2.0, they will be able to use the WI GI Bill during the next semester in which they enroll for classes.

CARE TEAM

The CARE (Concern, Assessment, Response, and Evaluation) Team serves the Lakeshore community by evaluating and responding to disruptive, troubling, or threatening behaviors brought to the attention of the Team. As a part of this work the team also seeks to help identify members of the Lakeshore community who are in need of support, guidance, or other intervention and to refer them to appropriate campus and community resources. This interdisciplinary team provides a centralized system for faculty, staff, students, and parents to refer high-risk student situations. The ultimate objective is to assist students and our community to move from a state of distress and increased risk to a condition of safety and security.

The CARE Team works together to:

- Address concerns of students' well-being or behavior that may be harmful to oneself, others, or is disruptive or threatening.
- Regularly monitor, review, and appropriately respond to reports received via email, incident reports or other regarding potentially harmful, threatening, or disruptive student behavior.
- Triage all notifications of student behavior concerns to identify threat level and/or appropriate action.
- Provide outreach, consultation, appropriate assessment, and/or referral for issues related to

concerning student behaviors.

COMPLAINTS

Complaints are related to federal and state laws that define an individual's legal rights. Lakeshore recognizes two categories of complaints:

- Harassment/Discrimination Complaints (Equal Educational Opportunity)
- Sexual Harassment/Misconduct Complaints (Title IX)

Harassment or Discrimination

Federal and state laws including, but not limited to, Title VI, Title II of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, and Title IX, prohibit harassment and discrimination.

Harassment is when someone's speech or actions are severe, pervasive, or targeted in a way that hinders a student's ability to get an education, significantly harms their well-being, substantially interferes with their rights, or intimidates the student because of their identity. Harassment can happen on its own or alongside other forms of discrimination.

Discrimination is when a person or an organization limits a student's equal education opportunities based on their membership in a protected class as defined by federal and state laws.

Retaliation is an act or series of acts that punish a student for asserting their right to be free from discrimination and harassment.

All student complaints alleging harassment, discrimination, or retaliation shall be reported to the Educational Support Services Manager located in the Student Success Division at Lakeshore. All employee complaints shall be reported to the Executive Director of Human Resources, located in the Human Resources Department at Lakeshore College.

Upon receiving a formal complaint, Lakeshore will take prompt action to investigate the complaint and

take corrective action to eliminate the discrimination.

Complaints for harassment/discrimination contact information: 920.693.1858 (TTY 711) or tanya.boman@lakeshore.edu

Sexual Harassment

Title IX is a federal law that prohibits sexual harassment in educational programs. Sexual harassment is a broad term that includes the traditional definition of sexual harassment, sexual violence, and any other sex-based misconduct including relationship violence. Sexual harassment includes, but is not limited to, the following: sexual harassment, stalking, sexual assault, domestic violence, hostile environment, and other act of sexual violence.

All sexual harassment and misconduct shall be reported to the Title IX Coordinator as soon as possible. The Title IX coordinator is located in the Student Success Division at Lakeshore College, 1290 North Avenue, Cleveland, WI 53015.

Upon receiving a formal complaint, Lakeshore College will take prompt action to eliminate the sexual harassment or misconduct, prevent its recurrence, and address its effects.

Step 2

The Executive Director of Student Affairs will contact the student to gather any information regarding the concern that has been raised. The Executive Director of Student Affairs will also make every attempt to meet with the other party/parties related to the shared concern to gather additional information.

Step 3

The Executive Director of Student Affairs will attempt to resolve the concern by scheduling a meeting with the parties involved, if necessary. Executive Director of Student Affairs will serve as a neutral third party during this meeting which is designed to follow a process to resolve the concern informally. The goal of the mediation process is to provide a resolution to the concern that is acceptable to both parties. If a meeting is deemed to not be necessary, the Executive Director of Student Affairs will relay the concern and all related information to the individual or campus office that is best positioned to address and resolve the concern.

Step 4

If the mediation meeting fails to resolve the matter, it will be referred to one of two Vice Presidents for a final decision. If instructional in nature, the Vice President of Instruction would be the final step in the process. If the matter involves anything other than instruction concerns, the Vice President of Student Success would be the final step in the process.

CAMPUS POLICE & SECURITY

Lakeshore employs part-time police and security officers to support safety needs on campus.

CRIME AWARENESS & CAMPUS SECURITY (CLERY ACT)

Lakeshore is committed to maintaining a safe and secure environment on campus. As part of the Crime Awareness and Campus Security Act of 1990, the college provides complete information about security awareness, crime prevention, crime reporting, crime statistics, and other related policies. This information is communicated annually to students and staff, through the Annual Security Report.

Hazing is prohibited under both federal law (Clery Act) and state law. Hazing includes any act that endangers the mental or physical health or safety of a student or others for the purpose of initiation, affiliation, or continued membership in a group or organization. Incidents of hazing must be reported and may result in institutional discipline as well as criminal prosecution.

EQUAL OPPORTUNITY

Lakeshore College does not discriminate against protected classes, including but not limited to race, color, national origin, religion, sex, or gender – including sexual orientation, gender identity, gender expression, disability or age in employment, admissions, or its programs or activities. To handle inquiries regarding Lakeshore's nondiscrimination policies, contact the Vice President of Student Success Tanya Boman for students at 920.693.1858, tanya.boman@gotoltc.edu or the Executive Director of Human Resources for staff/others at 920.693.1139, Marissa.Holst@lakeshore.edu. Lakeshore College, 1290 North Avenue, Cleveland, WI 53015. (TTY 711) [Lakeshore Equal Opportunity Statement](#)

FREEDOM OF EXPRESSION

Freedom of thought, inquiry, speech, and lawful assembly are fundamental rights of all persons. These rights include the freedom to express opinions; to hear, express and debate various views, no matter how unpopular; and to voice criticism. Free speech is uniquely important to Lakeshore as it brings about a free interchange of ideas integral to the College's fundamental mission of teaching, research, and public service.

The College encourages students to present ideas, express their individuality and culture, and be open to thoughts or lifestyles that differ from their own. The College expects all students will present themselves in a respectful manner that does not endanger, threaten, or infringe on the rights of others. The College also expects students will not conduct themselves in a manner that will infringe on another

individual's education or the mission of the College. Students that fail to meet these expectations can be referred to the Student Conduct Process.

HAZARDOUS WASTE & CHEMICAL EXPOSURE

Some classes, such as chemistry and physics, may present the possibility for exposure to substances which have the potential for health hazards. Faculty teaching such a class will include in the class syllabus specific information pertaining to potential exposure and appropriate safety information will be presented to reduce the risk.

Any persons present near chemicals (including hazardous waste) should realize that they are voluntarily exposing themselves to these substances. Precautions, such as changing routes so as not to pass near the hazardous exposure areas or delaying enrolling or not enrolling in a class, may be necessary. These precautions are especially important for people with sensitive medical conditions which could make exposure to the substance mentioned above especially dangerous. Women who are in their first trimester of pregnancy should avoid exposure.

Any time the potential exists for exposure to substances; protective clothing will be required.

MILITARY SERVICE MEMBER SPECIAL CIRCUMSTANCES READMISSION & REFUND POLICY

Students who serve in the National Guard, Reserves, or Active Duty stationed locally who are ordered into active military service in the Armed Forces of the United States or who are requested to work for the federal or state government during a national emergency, limited national emergency, or state emergency are provided priority readmission upon their return. Individuals in these circumstances will be eligible for 100% refund of tuition and fees for the current term.

Students who are forced to withdraw from classes due to the activation of a close family member (father, mother, stepfather, stepmother, spouse or life-partner) are provided priority readmission upon their return. Individuals in these circumstances will be eligible to submit a refund appeal request citing military activation as the extenuating circumstance. This appeal, if granted, may result in a 100% refund of tuition and fees.

Individuals seeking a refund of tuition and fees are required to provide a copy of the activation orders to the campus Executive Director of Student Affairs.

Students who choose to stay enrolled and/or complete their coursework may do so in consultation and with permission from their instructor(s).

MINORS ON CAMPUS POLICY

The scope of this policy includes minors on campus who are either unaccompanied or accompanied by an adult. This policy does not include minors on campus who are participating in an educational offering or course/program-related needs. This policy does not apply to the Lakeshore's Child Care Center.

Minors on campus in general

To protect the safety of minor visitors and to avoid disruptive behavior, minors accompanying employees, students, or visitors must be under the constant supervision of their responsible adult while on college property or on the site of any approved off-campus class or other college events. Employees of the College cannot take supervisory responsibility for any unattended minors. Minors are not permitted to be left unattended in any College facility at any time or left alone with an adult that has not accompanied the minor to campus.

The College assumes no responsibility or liability for minors on College property or on the site of any approved off-campus class or other college events, nor for any accidents or injuries to minors occurring on College property.

Employees, students, or visitors who bring minors to the College are responsible for all aspects of the minor's behavior, including the minor's safety, and are financially responsible for any damages caused by the minor.

Minors are encouraged to come to campus for college-sanctioned activities specifically scheduled and designed for their benefit.

Exceptional circumstances (applicable to employees and students only)

Minors may be brought into a particular workplace or classroom setting, in exceptional circumstances, if prior written approval is granted by an authorized Lakeshore representative. The Lakeshore employee or student is still responsible for the minor's safety, behavior, and are financially responsible for any damages caused by the minor.

NON-REGISTERED INDIVIDUALS IN THE CLASSROOM

To preserve the integrity of the educational environment, non-registered individuals are not allowed in Lakeshore classrooms, labs, shops, or designated testing areas, except when the non-registered individuals are part of the instructional activities. Exceptions may be made in cases of emergencies and with prior approval from the Dean or their delegate.

POLITICAL ACTIVITIES ON COLLEGE PREMISES

The care, control, and management of the campus of the Lakeshore, at all locations, is vested within the College District Board and Office of the College President. The Colleges' Political Activities policy can be found [here](#).

REPORTING OF CRIMINAL ACTIONS

Individuals should dial 911 from Lakeshore campus phones in an emergency situation.

SOLOMON ACT

Congress in 1996 enacted a series of laws that address Military Recruiting and Reserve Officers' Training Corp (ROTC) Program Access to Students of Higher Education (commonly referred to as the "Solomon Amendment"). Under these laws, colleges must give recruiters access to their campuses and provide them with lists containing "student recruiting information" in order to help military recruiters meet congressionally mandated recruitment numbers. The Solomon Amendment overrides FERPA and gives the military the right to receive data designated as "student recruiting information." If an institution or its sub elements does not comply, the entire institution risks losing certain federal funds.

STANDARD OF EVIDENCE

Lakeshore uses the preponderance of evidence standard in all matters involving students. This includes student code of conduct (academic and non-academic), Title IX, and equity cases. The preponderance of evidence standard is defined as such that a party has shown that its version of facts, causes, damages, and fault is more likely than not to be the correct version.

engaged in nonacademic misconduct, and to afford the student an opportunity to respond. If the student does not respond to the Executive Director of Student Affairs' offer to discuss the matter, the Executive Director of Student Affairs may proceed to make a determination on the basis of the available information.

(3) Determination by the Investigating Officer that No Disciplinary Sanction is Warranted.  - b. Appropriate procedures were not followed by the nonacademic misconduct hearing examiner or committee and material prejudice to the student resulted.
 - c. The decision was based on factors proscribed by state or federal law.
- (2) If the President makes a finding, the President may return the matter for consideration by a different hearing examiner or hearing committee or may invoke an appropriate remedy of his or her own.

If the student desires to appeal, the student must file a written request with the Vice President of Instruction within 10 days of personal or email delivery or mailing of the written report. If the student does not request a hearing within this period, the determination of academic misconduct shall be regarded as final, and the disciplinary sanction recommended shall be imposed.

- (3)** Where an instructor concludes that a student enrolled in one of his or her courses has engaged in academic misconduct in the course, and the instructor or the Division Dean has determined that a sanction listed in (1) (i) through (j) is warranted, the following procedure will be followed:
- (a)** The instructor/Dean will proceed as above but will also send a copy of the report to the Vice President of Instruction.
 - (b)** The instructor/Dean will inform the student that, because of the recommended sanction, the case will be heard, and a decision rendered by the Vice President of Instruction.
 - (c)** The Vice President of Instruction will review the information provided by the instructor/Dean and will meet with the student to discuss the case.
 - (d)** If, as a result of the discussion, the Vice President of Instruction determines that academic misconduct did not in fact occur or that no disciplinary sanction is warranted under the circumstances, the matter will be considered resolved without the necessity for further action.
 - (e)** If the Vice President of Instruction determines that misconduct has occurred, the Vice President will:
 - i.** Determine the appropriate sanction(s) for the offense. The sanction can be any listed in (1) (a) through (j). If the Vice President determines that the appropriate sanction is (1) (k), suspension or expulsion from the college, the Vice-President will present the case to the College President who will review the case and either confirm the recommended sanction or remand the case back to the Vice President for further review.
 - ii.** Inform the student of their decision via their campus email account
 - (f)** A student who receives a disciplinary sanction listed in (1) (i) through(k) under this section has the right to appeal the decision of the Vice President of Instruction to contest the determination that academic misconduct occurred, or the disciplinary sanction imposed, or both, to the academic misconduct hearing committee. The request for a hearing must be submitted to the Vice President of Student Success within 10 days of personal delivery or mailing of the written report. The Vice President of Student Success shall take the necessary steps to convene the hearing and shall schedule it within 15 days of receipt of the request. The hearing shall be conducted within 45 days of receipt of the request unless a different time period has been mutually agreed upon by the student and the College. If the student does not request an appeal hearing within this period, the determination of academic misconduct shall be regarded as final, and the disciplinary sanction recommended shall be imposed.

Hearing:

- (1)** If a student requests a hearing, the Vice President for Student Success will take the necessary steps to convene the academic misconduct hearing committee and shall schedule the hearing within 10 days of receipt of the request or written report, unless a different time period is mutually agreed upon between the college and the student.
- (2)** Reasonably in advance of the hearing, the committee shall obtain from the instructor or investigating officer, in writing, a full explanation of the facts upon which the determination of misconduct was based and shall provide a copy of the Academic Misconduct section of the Student Code of Conduct to the student.
- (3)** The hearing before the academic misconduct hearing committee shall be conducted in accordance with the following requirements:
 - a.** The student shall have the right to question adverse witnesses, the right to

present evidence and witnesses, and to be heard in his or her own behalf, and the right to be accompanied by a representative of his or her choice.

- b. The hearing committee shall not be bound by common law or statutory rules of evidence and may admit evidence having reasonable probative value, but shall exclude immaterial, irrelevant, or unduly repetitious testimony, and shall give effect to recognized legal privileges.
- c. The hearing committee shall make a record of the hearing. The record shall include a verbatim record of the testimony, which may be a sound recording, and a file of the exhibits offered at the hearing. Any party to the hearing may obtain copies of the record at his or her own expense. Upon a showing of indigency and legal need, a party may be provided a copy of the verbatim record of the testimony without charge.
- d. The hearing committee shall prepare written findings of fact and a written statement of its decision based upon the record of the hearing.
- e. The hearing committee may find academic misconduct and impose a sanction of suspension or expulsion only if the proof of such misconduct is clear and convincing. In other cases, a finding of misconduct must be based on a preponderance of the credible evidence.
- f. The hearing committee may impose a disciplinary sanction that differs from the recommendation of the instructor or investigating officer.
- g. The instructor or the investigating officer or both may be witnesses at the hearing conducted by the committee, but do not have responsibility for conducting the hearing.
- h. The decision of the hearing committee shall be served upon the student either by personal delivery or by first class United States mail and shall become final within 10 days of service.

Discretionary Appeal to the Wisconsin Technical College System Board: The decision of the college shall be final, except that the WTCS board may, at its discretion, grant a review upon the record.

Settlement: The procedures set forth in this chapter do not preclude a student from agreeing that academic misconduct occurred and to the imposition of a sanction, after proper notice has been given.

Right to Petition for Readmission: A student who has been expelled may petition for readmission, and a student who has been suspended may petition for readmission prior to the expiration of the suspension period. The petition for readmission must be in writing and directed to the president of the institution from which the student was suspended or expelled. The petition may not be filed before the expiration of one year from the date of the final determination in expulsion cases, or before the expiration of one-half of the suspension period in suspension cases.
