Practical Nursing	\$25	needed	needed	needed	needed	needed	needed	needed	needed	no	no	no
Radiography	\$25	needed	needed	needed	needed	needed	needed	needed	needed	no	no	no

Notes: Students are required to meet clinical site health vaccine requirements. Some locations may require the seasonal flu vaccine and may have different requirements in relation to the COVID vaccine. Some hospital clinical partners may require a \$45 10-panel drug screen (within 90 days prior to clinical start), a two-step TB skin test or blood test, and a physical exam (within 1 year of program start).
