

Lakeshore College's Paramedic Program Effectiveness data

Lakeshore College's Paramedic Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP).

Paramedic Program with Outcomes

CAAHEP-accredited Paramedic educational programs and CoAEMSP Letter of Review (LoR)
Paramedic educational programs track and report outcome measures annually to the Committee on Accreditation for the Emergency Medical Services Professions (CoAEMSP).

Lakeshore College is regionally accredited through:

<https://lakeshore.edu/about/accreditation>

As part of our accreditation process, Lakeshore wishes to disclose the following programmatic information for the previous three-years of program and student performance:

Year	NREMT Cognitive Exam Success	Retention	Placement
2025	80.0%	86.2%	84.0%
2024	82.4%	85.0%	82.4%
2023	78.6%	93.3%	92.9%

NREMT Cognitive Exam Success is defined as the percentage of program graduates that pass the National Registry of EMTs Paramedic cognitive examination within the allowed attempts.

Retention is defined as the percentage of students that enter the program divided by the number of students that successfully complete the program coursework.

Positive Placement is defined as the percentage of program graduates surveyed between 6 and 12 months post-graduation that report being employed as paramedics. This information is only able to reflect those graduates that do return the survey information.
